RE: Use of 2021 Tax Map PDFs

DATE: April 30, 2021

This CD contains the March 1, 2021 version of the County of Albany Tax Maps for your municipality in PDF format and is provided to you as a courtesy for your use in the performance of duties as the Assessor. The PDFs are issued for the sole and exclusive use of the assessor and are not for sale, distribution, reproduction for the general public or display on a municipality website.

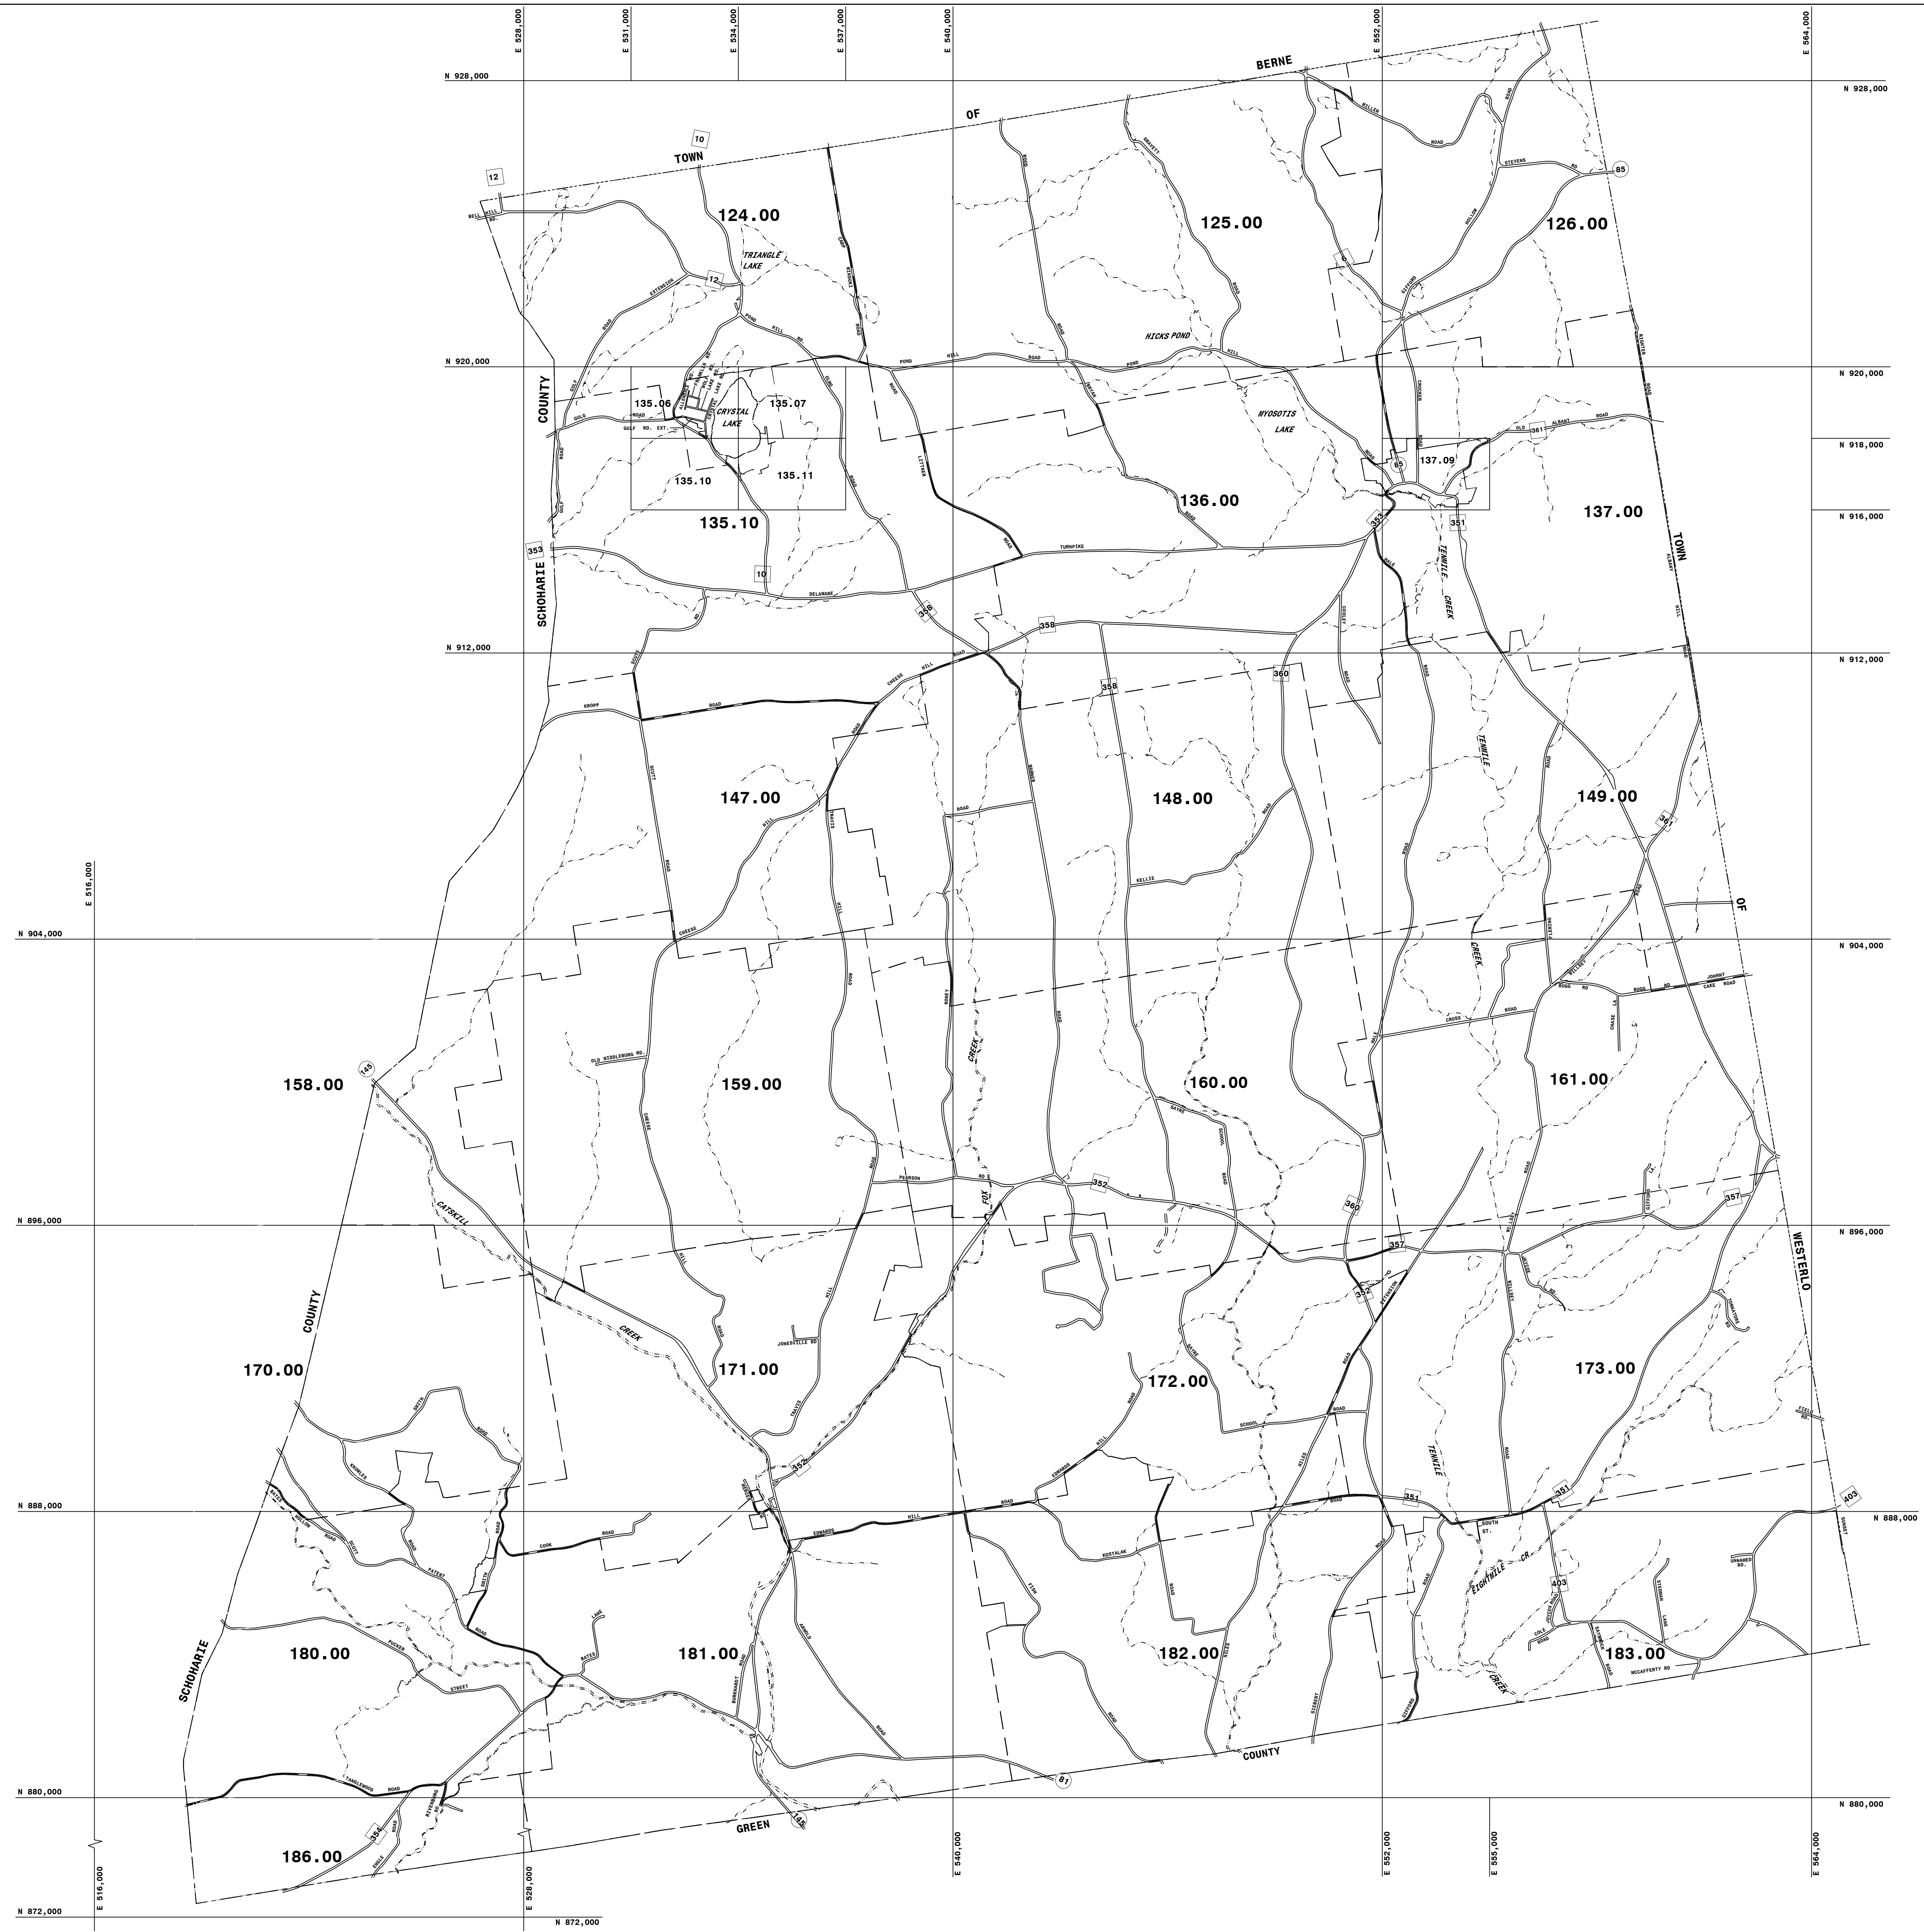

If you wish to display the tax maps on your website, we will gladly provide a CD with a print restrictive version of the tax maps. As an alternative to this method, you may want to consider using the following link on your website which will direct the inquiring party to the county website for access to tax maps for the entire county.

<https://www.albanycounty.com/departments/management-and-budget/real-property-tax-service-agency>

Also, we encourage you to use Albany County Interactive Mapping in the course of your work. This application was first rolled out in 2013 and has been updated every year. One of the most difficult tasks is to find errors in the application and data. We continue to try and reduce the number. We need your help. If you find a problem let me know. The following is the link to Interactive Mapping:

If you have any questions, please do not hesitate to contact me at 447-4882.
